

Report from the Vice President

To the ladies of the Midwest Presbytery,

Thank you for allowing me to get involved in planning the program for our retreat this year as your Vice President! It has been a joy to get to know more women in the Midwest Presbytery this last year through various meetings. Taking on being Vice President after Laura Wallace has been a very easy transition due to her organization of past retreats, so very thankful for her. I also want to acknowledge President Rita Lyon and the work she has done for this upcoming retreat. Her help and leadership has been invaluable.

Many thanks are also due to all the ladies in Stillwater as we worked together to finalize the details of the retreat.

Plans for the 2024 Midwest Women's Retreat:

Hosting congregation: Stillwater RPC

Dates: April 5-6, 2024

Speakers: Pastor David and wife Ruth Hanson

Theme: Ministry of the Home

Many thanks to everyone's help and participation in this year's retreat. My prayer is the Lord will use it to better equip his saints for service in His kingdom.

Blessings,

Julia Mann (Springs Reformed Church)

Vice President
